How the idea of the american dream has changed and what people think it is and the aspects of it a life of personal happiness and material comfort as traditionally sought by individuals in the U.S. the idea began in the 1930's a little after the roaring 20's and more people wanted to get out of the lower class and have more materialistic and financial comfort. main source of income, you have ...

American Dream In The Fifties Guided Answers

I chose this photo because it so greatly contrasts with the widely thought of belief of the American dream. This photo parallels The Great Gatsby with the idea that the American dream is really, just a dream and not a reality. In The Epic of America, written in 1931, James Truslow Adams defines the American dream as "that dream of a land in which life should be better and richer and fuller for ...
