Internet Protocol Television or IPTV is a video broadcasting technology that can deliver video content through a computer network. IPTV no longer uses media such as cable or satellite radio to deliver content, but uses a converged IP network, which allows other services such as VoIP, computer data exchange or Internet access to be used from the same network.

Sri Tapas Kamakshi Amman temple.

Special: A highly popular Amman temple;
Kamakshi amman penanced here and got
married to Shiva at Kanchipuram. Legend:
Once Parvathi Devi closed the eyes of Shiva
for fun which resulted in total darkness of
the whole universe. Shiva was displeased by
her act and she had to come down to earth
and do penance to ...
