KIRKUS REVIEW. Written in 1962-63 by a 37-year-old woman, this tortured, fumbling, sprawling therapeutic self-analysis may still--in its very openness and lack of pretension--speak directly to other persons (especially the young) mired in an identity crisis or general weltschmerz. In 1962 Alice Koller, unmarried, was a drifting Ph.D.

Alice Koller: An Unknown Woman - The Culturium

This book, and Alice Koller's second memoir, The Stations of Solitude, are two of my favorite books of all time. It's just that they're not exactly like any other books I've read. Both memoirs are of a single woman's excruciatingly sane, solitary life, beautifully described in minute, banal detail.
