This beginner's guide focuses on getting you through all the major learning points in a smooth, logical order. You'll also see how to avoid some common pitfalls. Who this book is for. Are you an Android Java programmer who needs more performance?

Android Ndk Beginner S Guide
This book on the Android NDK is the most comprehensive source of NDK examples in both C and C++ that I have seen in five years of searching. Had it included program development on the Android Studio instead of the obsolete and often unconfigurable Eclipse, I would have given it five stars.
