Find parabola given vertex and point. This feature is not available right now. Please try again later.

## **SOLUTION: Have a project with Angry Birds where you have ...**

Do not have them make catapults for the Angry Birds Parabola Project. This will take entirely too much time on things unrelated to the standards you are supposed to be teaching. If this is the version of the project you want to do then partner with a shop class or art class where creating the catapult will meet a standard for that teacher.
