Cultural anthropology is a branch of anthropology focused on the study of cultural variation among humans. It is in contrast to social anthropology, which perceives cultural variation as a subset of the anthropological constant.

### **(PDF) Anthropology: Theoretical Practice in Culture and ...**

*Anthropology: Theoretical Practice in Culture and Society* interrogates the structure and content of my introductory courses, dissolving the staid themes of my lectures only to rebuild them into a "militant middle ground" neither dismissing the past accomplishments of anthropology nor ignoring trenchant, contemporary critiques. It is—treading again on postmodern ground—a supplement to my introductory classes, an alembic from which I can call forth more competent lectures.

**Anthropological Theories A guide prepared by students for ...**

Structuralism: A theoretical paradigm that privileges social structure over social action,,: 343 Elements of human culture must be understood in terms of their relationship to a larger, overarching system or structure. According to structural theory in anthropology and social anthropology, meaning is produced and reproduced within a culture through various practices, phenomena and activities that serve as systems of signification.
