AP Biology - Ms. Martel  
Biology, while super informative and exciting to science junkies, can be a little dry. It can also be pretty intimidating. However, we ' re going to look at the light side: biology jokes! We definitely need to insert humor into biology. However, not literally into our biology. That could be painful. Or gassy. We ' ve scoured the web ...

### Outlines | CourseNotes

There are also these notes on the 7th edition of the Campbell Biology textbook. It's not the most recent version of the book, but it might be helpful. The main difference between these notes and the notes in the previous section is that they aren't organized by the College Board's "Big Ideas" for AP Biology , so it's not as easy to connect terms and concepts to larger themes as you review.
