Problems in Applied Hydrology was written as a compliment and adjunct to textbooks in elementary hydrology. This manual evolved into a set of problems that demonstrate the application of hydrology to the solution of problems in water resources engineering. The problems are both in English (US) and metric units.

9780070108110: Applied Hydrology - AbeBooks - Ven Te Chow ...
Applied Hydrology is the text I wanted way back when I was in graduate school. Chow was still alive but had not finished the book. I was introduced to his writing in his open-channel hydraulics text, which I thought (and still think) is the best. Applied Hydrology was assembled posthumously by Maidment and Mays, who did a good job putting ...
