A correlative Approach to Translation
In a sequel to a review of the translation theory of Peter Newmark, it is argued that there is a single best method of translating regardless of whether the translator takes a semantic, communicative, or other approach. Methods of translating and approaches to extracting the sense of the text are clearly distinguished. Newmark is criticized for refusing to distinguish linguistic meaning from ...

Peter Newmark translation theory - SlideShare
Newmark's Approaches to Translation (1981) and A Textbook of Translation (1988) have been widely used on translator training courses² and combine a wealth of practical examples of linguistic theories of meaning with practical applications for translation. Yet Newmark departs from Nida's receptor- oriented line, feeling that the

Translation is most clearly art, when a poem, is sensitively translated into a poem. But any deft 'translation' of an imaginative piece of writing is artistic, when it conveys the meaning through a happy balance or resolution of some of the tensions in the process, when it reaches the four levels of translation.
