***Architecture, History: Evolution of Building Design  
The Brain Architecture Game was designed to help explain the science of early brain development—what promotes it, what derails it, and what the consequences are for society. Toxic stress weakens the architecture of the developing brain, which can lead to lifelong problems in learning, behavior, and physical and mental health.***

***Queen Anne Architecture - Victorian Houses in the US  
Unlike in the age of artisanship, there is today a strong separation between the process of designing and the process of making. Frank Gehry designs his work using CAD software, then someone else has to go out and actually build it. But that rupture means that architecture becomes something imposed upon people.***

***Architecture In The Age Of  
Architecture and the Age of Creative Disruption.  
03.30.2021. By Duo Dickinson, Martin C. Pedersen. To understand change, you must first accept it. Architecture has always been subject to manic cycles, booms and busts, but this year has been different. The pandemic ushered in a season of jarring change. This post started as an essay by me, a ...***
