Colonialism - Wikipedia

(Confusingly, the label 'shareholder primacy' is sometimes used—e.g., by Bainbridge [2008]—to refer to the view that shareholders should have ultimate control over the firm.) Shareholder primacy is the dominant view about the ends of corporate governance among financial professionals and in business schools.

History of the Netherlands - Wikipedia

Colonialism is a practice or policy of control by one people or power over other people or areas, often by establishing colonies and generally with the aim of economic dominance. In the process of colonisation, colonisers may impose their religion, language, economics, and other cultural practices. The foreign administrators rule the territory in pursuit of their interests, seeking to benefit ...
