Taking the Kids Around the World in 180-Days!
Around the World in 180 Days is designed for teaching geography and world cultures to all of your children at the same time. It is written primarily for grades four through twelve, and suggestions are included for using the program with younger children down to kindergarten level. The "180 days" of the title refers to the approximate number of days in one school year, although you might take longer than that to complete the course if your children tackle more of the activities and ...
