(PDF) Artificial Hells: A Conversation with Claire Bishop

As Claire Bishop's masterful Artificial Hells: Participatory Art and the Politics of Spectatorship makes abundantly clear, social performance is perhaps the critical political art form of the current moment. Through its exhaustively researched pages investigating the nature and history of aesthetic approaches that engage the idea of the activated spectator, Bishop issues both a trenchant analysis o idea of social art as well as a call for a revitalized critical assessment of the form.
