Asking for It provides a lot of the same depressing statistics as other books on the subject of rape; where it differs That, coupled with the fact that I read this on the heels of a couple of books on similar topics, made me a bit wary to pick this one up.

Really Asking For It - Funny & True Stories - Not Always ...

Asking For It is an important book. It challenges the way we handle things as a society and shows how quick people are to make judgements and not treat people with respect and dignity. It looks at how a society can turn against a victim and not show any consideration for what that person has gone through.
