Life Print has a completely free ASL resource called American Sign Language University. There are so many free sign language lessons. You can learn 100 basic signs, finger spelling and complete sign language lessons. There are printables as well as video lessons. They have an awesome self study schedule that my son used to teach himself with the videos.

Our Favorite Sign Language Flashcards | Start ASL

Once your child has learned all of the signs for the letters of the alphabet, simply cover the letters on a card and have your child determine the letter by looking at the sign and recreating it with their own hand. Or, try printing two sets of the sign language alphabet flash cards and use those together to create a memory game on its own.
