Further east in the subcontinent of India is a similar tale, though it probably is less well known compared to that of Atlantis. This is the 'lost continent' of Lemuria, frequently connected to the legend of Kumari Kandam by speakers of the Tamil language. The term Lemuria has its origins in the latter part of the 19th century. The English ...

Momia Juanita (' Mummy Juanita ') is the name given to the mummy of a 15th century Incan girl who was discovered in Peru in 1995. She is known also as the ' Lady of Ampato ' , and the ' Inca Ice Maiden ' , the first because she was found on the top of Mount Ampato, a dormant volcano in the Andes, and the second because her body was preserved due to the frigid temperatures on top of that ...
