RNS-E 2010 was remodeled to fit in Audi R8, but internally it's the same device. Retrofited. Many car owners decided to retrofit one of the Audi Navigation Plus units in cars that were not equipped with RNS, or even not supported by the manufacturer. Since Audi cars share most of their components, it was possible to install RNS-D or RNS-E.

How to install DVD/GPS/Navigation for Audi TT?

If your Audi Navigation unit (RNS-E) will read CD's but not DVD's then it is likely that your laser is on its way out. If this is the case then your options are to either replace the entire unit (expensive), replace the DVD drive (less expensive) or replace the laser itself (less expensive but more difficult).
