Rusty old user here. I am about to start teaching a short course using AutoCad 2004, and need to get hold of the same number of manuals that I have licences for. Does someone know a surefire way to do this - I managed to get hold of some about 6 months ago, through a weblink, but I cant refind the link. From what I remember, I could only order one at a time, so I would need to submit one order ...
