Collectible Vehicle Hood Ornaments and Emblems. When you think of art, you don't often think of car grille emblems and hood ornaments. These ornaments are found as goddesses, leaping or flying animals, family coats of arms, and even airplanes or airplane propellers.

Vintage Hood Ornaments and Car Mascots | Collectors Weekly

I'm not going to set up a forum for that. You do it. It'll be good. Obviously this is only limited to the amount of info I found available at the time I made it, and there were many more hood ornaments made than I've posted here... to learn more about yours, look around the internet, or go to car museums and ask them. Or ask car collectors. Delete

Collectible Automobilia

If necessity is the mother of invention, then design is undoubtedly its grandchild. The analogy is particularly apt when applied to the evolution of automobile mascots and ornaments. At the dawn of the 20th century, the 'horseless carriage,' which came to be known as the automobile, slowly crawled into being and with it, technological advancement - the age of progress and adventure had arrived.

Automotive mascots : a collector's guide to British marque ...

From their plain beginnings as manufacturer's badges installed on car radiators, hood ornaments evolved into an art form all their own. Early automobile badges were often made from enameled metal decorated with a company's name and logo, like the intricate butterfly symbol that branded Invicta automobiles in the 1920s and '30s.
