cradle their plastic babies and then be on my way, on to more exciting pursuits in the backyard or basement.

Baby Proof Emily Giffin

“Emily Giffin has proven herself as a master storyteller and writer. Though *Baby Proof* entertains with its relationship drama, it also digs deep into the more serious issue of exactly what it means to choose not to have children. It raises important questions about how we, as women, define ourselves.

Emily Giffin | Tour: Baby Proof

There is a statement in Baby Proof that reads: "The biggest decision a woman can make in life is not who to marry but who should be the father of her children." Do you believe that, to most women, the issue of children and motherhood (and who to share that with) supersedes every other decision in their lives?
