Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

#BABYMAKER - Cassandra Dee Romance

Because suddenly, the door leading from the medical office swung open, and a man stood there, so huge and imposing that he blocked out the light in back of him. A collective gasp rose from the women in the crowd, our eyes growing wide.
