Bad Men John Connolly

"In the crowded killing fields of crime fiction, John Connolly has quickly and decisively established himself as a unique voice. With BAD MEN he does it again, giving us a powerful story that is dark, daring and original. This one is his best."-Michael Connelly. Back to Other Works.

Bad Men by John Connolly - Goodreads

"Bad Men" is a departure for the vastly talented John Connolly. Charlie "Bird" Parker, the ex-NYPD private investigator of Connolly's previous three novels (Every Dead Thing, The Killing Kind, The White Road) is "mostly" missing. (Parker, in an unusual twist for a novel, does indeed make a cameo appearance in "Bad Men".)

Editions of Bad Men by John Connolly - goodreads.com

5.0 out of 5 stars Bad Men by John Connolly. Reviewed in Canada on August 20, 2012. Verified Purchase. As his books go, they are very brutal and sometimes difficult to read. This is one of the better books. It is not a Charlie Parker storyline, but it is very well written and I couldn't put it down. I wanted to read it to the end.
