I have a new 3010 4wd Mule. I would like to mount a winch on the front but am confused about whether or not I need to buy a mounting bracket or kit to go with the winch. The Mule manual is not clear on this and I sent an email to Kawasaki support and did not get a reply. Some catalogs offer a...

KFI Kawasaki Mule SX Winch Mount | The Winch Pros
This worked great for installing the HB badlands 2500 winch on my 07 Kawasaki prairie 2x4. I agree with another reviewer that putting the winch on after plate was installed seemed easier. As per those that had issues getting the plate ubolts in, take a hammer or mallet and give some love taps. Goes in easy.
