It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Barbarians In The Boardroom Activist

"Barbarians in the Boardroom is an excellent forensic analysis of the new era of activist investing and the first to cover campaigns that have ousted S&P 500 boards, promoted giant mergers and permanently changed the roles played by boards of directors."

Barbarians in the Boardroom: Activist Investors and the ...

Barbarians is an eye-opener (and in most cases, a maddening one): so many of the same names in activist investment pop up in the boardrooms of all these big companies we take for granted and usually end up in struggles for control—and that many of these struggles boil down to popularity contests swung by high stakes spending and public relations with the voting shareholders.
