War I. In addition, after the Russian Revolution of 1917, the young communist state assumed ownership of all heavy industry, banking and railways, while the 1921 New Economic Policy left almost all small-scale production and farming in the private sector. The war-ravaged German economy struggled to return to pre-war levels, with inflation ...

Nazi invasion of Soviet Union was murderous barbarity ...

On 22 June 1941, a Sunday, Nazi Germany set in motion the largest invasion in the history of warfare — the attack on the Soviet Union, codenamed "Barbarossa". By the time the four-year conflict on the

German – Soviet Axis talks - Wikipedia

The background behind the Barbarossa Decree was laid out by Hitler during a high-level meeting with military officials on 30 March 1941, where he declared that war against Soviet Russia would be a war of extermination, in which both the political and intellectual elites of Russia would be eradicated by German forces, in order to ensure a long-lasting German victory.
