If you are aiming for an MBE score of 144 (which is considered passing in California), you should aim for about 67%. (If you are curious about the math, we got these percentages by dividing 111/190, 118/190, 123/190, and 129/190. We used 190 because there used to be ten "test" questions that are not counted in your raw score.
