Bats at the Library by Brian Lies

They all loved the idea of bats believing a visit to the library as an special adventure. When we arrived at the library, the students found themselves looking for opportunities for their own adventures and tied theirs in with those in the book. (I clued in the librarian who hosted us before this activity.)

Bats at the Library Book Review - Common Sense Media

Bats at the Library - fabulousfunideas.com

When bats find a window that has been left open at the library, they sneak in to enjoy an evening that begins with some very silly exploration and frolicking. Finally, they settle down for storytime and sink into the adventures they find in classic children's books. Is it any good?

| Scholastic

Bats at the Library This was my experience with being introduced to *Bats at the Library* by Brian Lies, a completely sensational picture book, all about a charming colony of bats expressing their love for their local library. Remember that smug little sense of self-importance I spoke of earlier?

Brian Lies - Wikipedia

The library is noted as being one of two in the world (the Mafra palace library being the other) whose books are protected from insects by the presence of a colony of bats within the library. During the night, the bats consume the insects that appear, eliminating the pest and assisting the maintenance of the stacks.

These Portuguese Libraries Are Infested With Bats - and ...

Bats in the Library! I am a Library assistant at Reidenbaugh Elementary School. Children from Kindergarten to Fourth grade come in for book exchange. As they enter the library, the room is darkened, I have flaming cauldrons for ambience and I have bat sounds playing.

Bats Are Hanging Out in the Library. What Gives?

Bats, young and old, head for the world inside the library where they read books, have discussions, play in the water fountain, make Xerox copies of themselves, make shadows with the overhead projector and discover where books can take you--where ever your imagination goes.

TeachingBooks.net | Bats at the Library

In Coimbra, a colony of Common pipistrelle bats makes their home behind the bookshelves of the university's Joanina Library, emerging at nightfall to consume flies and gnats and other pests before...

Bats at the Library by Brian Lies, Paperback | Barnes & Noble®

Bats at the Library is a story told in rhyme by a bat . The bats are bored until one of them hears that a window was left open at the library. The bats are very excited and do lots of fun things in the library like making shadows on the wall using an overhead projector, copying themselves on the copying machine, and of course the highlight of the night, storytime.

Bats at the Library - Walmart.com

The bats are all bored, but word gets out that a window has been left ajar in the library. They all hurry to the library for a night of adventure. The young bats don't know what to do at a library and spend time exploring the drinking fountain, overhead projector, and the copy machine.

Bats in the Library! - Aurora Public Library

The bat colony under the Pantano wash bridge was estimated to contain 20,000 bats. So it was estimated that the Pantano bat colony eats 2 tons of insects during a season. There are other bats that are also seen in Tucson: Pallid bat, Silver-haired bat, Cave myotis, California myotis, Yuma myotis, Western pipistrelle and the Big Brown bat.

Bats at the Library by Brian Lies - Goodreads

High above the Mondego River, in Portugal's interior, a colony of common pipistrelles bats wings out of a library, soars over the cobbled university square, and disappears into the night. These are perhaps the most famous residents of the University of Coimbra.
