Be A Free Range Human - YouTube

To me, a free-range human is the opposite to someone who feels really confined in how they're showing up and who they have to be in order to get paid. A free-range human is someone who has created a work-life – be it a business, be it a portfolio career, be it a life as an author – that fits number one who they actually are.

I've been a big fan of Marianne's writing, *Be a Free Range Human*, since my earliest days as a solopreneur; and in fact, she crossed my radar when my blog was just a budding baby side-hustle, but we hadn't connected in real-time until this conversation. A longtime advocate for going your own way in

Be A Free Range Human

I'm so glad you asked. You see, "Be A Free Range Human" is not a regular business or careers book. This isn't just about quitting your job or being your own boss... it's about discovering a world where creating something that suits you in every way is not only encouraged but essential to make this work.. It's about life on your terms, working when, where and how you want – so you ...

and cooped up. Addressed to mid-career professionals trapped in boring jobs and overwhelmed by responsibilities, it offers an alternative approach to life. Call it free-ranging: doing what you love, every day, when and where you like. The best bit? You can all that and earn enough to cover the bills!
