LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier’s Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Beatles - Recorded Sound Index - The Beatles discography
One beneficiary of the Beatles’ rise to stardom was their record company, EMI. By 1967, 30 per cent of the company’s profits were coming just from Beatles sales. Back then, EMI was more than a record label. Its now-forgotten full name was Electric and Musical Industries, and in the 1960s it was as much into electrics as it was into music.

The Beatles (album) - Wikipedia
The Beatles. British pop/rock group. For the Record Selected discography. Sources. On February 7, 1964, the Beatles arrived at Kennedy International Airport in New York City, met by 110 police officers and a mob of more than 10, 000 screaming fans. The British Invasion — and in particular, “ Beatlemania ” — had begun, and the “ mop-topped ” Beatles — John Lennon, Paul ...

BEATLES, The - Record Research
The Beatles were an English rock band formed in Liverpool in 1960. With a line-up comprising John Lennon, Paul McCartney, George Harrison and Ringo Starr, they are regarded as the most influential band of all time. The group were integral to the development of 1960s counterculture and popular music’s recognition as an art form. Rooted in skiffle, beat and 1950s rock and roll, their sound ...

How the Beatles gave us the CT scan, and what it tells us ...
Today’s vinyl records aren’t that much different from those that were introduced in the 1940s. The styles of music and the artists have changed, and a few refinements have improved their sound quality, most notably the introduction of stereo sound in the late 1950s, but the basic record has not.

Barry Hay information by Golden Earring Record Research
Old records in good condition can be worth \$10 to \$50 if the record was widely available when released. Obscure 45s or albums can be worth thousands of dollars. The Beatles “butcher cover,” for example, was appraised for more than \$10,000 in good to mint condition by appraiser Gary Sohmers.
