Quick-Start Guide to Becoming a Graphic Designer

Client management plays a large role for many digital designers.

“There’s always the ‘starting’ of the project, where I’m gathering information about the design project from my client—what do they like, dislike, goals for the project, etc.” says Jessica Freeman, graphic and web designer at Jess Creatives.

Step Career Guide

Digital designers might also use InDesign, but they may prefer the arguably more digital-friendly capabilities of Photoshop or Illustrator. The interfaces of InDesign and other design-specialist software can seem a little intimidating at first, but once you know a little more about the basics—such as tools and panels—it's easy to get the ball running.
