DSLR Courses | Photography Course London

Simple DSLR Photography for Beginners PDF. I looked down past my large, round belly, to the brand new DSLR sitting in my lap. I was 8 months pregnant with my first child and I couldn't wait to take beautiful photos of our new baby. But as I read the instruction manual and fumbled with the camera settings my excitement waned.

Beginners DSLR Photography Course

Using simple language, the course explains the differences between full frame and crop sensors, and shows you how digital photos are processed into file formats such as RAW and jpeg. You will then learn how to identify the key parts of a DSLR and how to understand each of the settings on a DSLR.
