The Mask (Character) - Comic Vine

The term “smiling depression” may sound confusing. After all, when many people think of depression, they often think of sadness — and not much else. This generalization can be harmful to people who experience depression but may not “look” depressed.

Virtually everyone has to wear a public mask in order to be accepted by others. That's a simple fact of human psychology. When circumstances (such as anonymity, strong emotion, or sufficient power) allow a character to take off that mask and act in complete accord with their inclinations, they reveal what's beneath the mask.

The plague doctor mask is one of the most recognizable symbols of the Black Death. Though the image is iconic the relationship may be a little anachronistic. While plague doctors have been plying their trade since the Middle Ages, it was only after this period, during the 17th century, that they acquired their creepy trademark costume. But what does it mean?
