Atul Gawande's 'Being Mortal' - The New York Times  
Being Mortal review – a surgeon's view of how we should end our days

Mixture | Definition of Mixture at Dictionary.com  
About 28 million Americans are currently uninsured, and millions more could lose coverage under policy reforms proposed in Congress. At the same time, a growing number of policy leaders have called for going beyond the Patient Protection and Affordable Care Act to a single-payer national health insurance system that would cover every American.

Being Mortal | Watch S2015 E6 | FRONTLINE | PBS | Official ...  
Being Mortal: Medicine and What Matters in the End is a non-fiction book by American surgeon Atul Gawande. The book addresses end-of-life care, hospice care, and also contains Gawande's reflections and personal stories.
