is one of the publishing industry's leading distributors, providing a comprehensive and impressively high-quality range of fulfilment and print services, online book reading and download.

Beyond Metropolis: The Planning and Governance of Asia's ...

The book begins with a rather controversial title – Beyond Metropolis. In a world where the majority of cities in developing countries are struggling with metropolitan growth and change, the title might appear to be rather mocking to the governments that have been shown up more often than not for their inaptitude at metropolitan governance and change.

Project MUSE – Beyond Metropolis: The Planning and ...

Beyond Metropolis studies planning and governance in the regions surrounding the twelve cities in Asia with populations over ten million: Tokyo, Mumbai, Kolkata, Dhaka, Delhi, Shanghai, Jakarta, Osaka, Beijing, Karachi, Metro Manila, and Seoul. These regions are greater than cities plus suburbs: for almost all, development has sprawled into the surrounding countryside, enveloping villages, towns, and small and medium-sized cities, creating “extended metropolitan regions.”

Beyond Zuccotti Park

About Metropolis For 35 years, Metropolis has been the architecture and design industry’s most compelling storyteller. Metropolis’ s editorial scope spans design at all scales—from the smallest products to city planning. Metropolis has always sought out, and featured, the game changers in the industry, from emerging talent to established individuals and organizations.
