Big Machine is a wonderful, original, and crazy novel." —Anthony Doerr, author of The Shell Collector and About Grace "Victor LaValle is one of the finest writers around—puzzling but never abstruse, compassionate but never pitying. With The Ecstatic, he produced one of my favorite novels of the decade, and now, with Big Machine,...

Big Machine Records - Wikipedia  
Big Machine. A fiendishly imaginative comic novel about doubt, faith, and the monsters we carry within us. Ricky Rice was as good as invisible: a middling hustler, recovering dope fiend, and traumatized suicide cult survivor running out the string of his life as a porter at a bus depot in Ulica, New York.

Learn core CS concepts that are part of every CS degree by reading a book meant for humans. You already know how to code build things, but when it comes to conversations about Big-O notation, database normalization and binary tree traversal you grow silent. That used to happen to me and I decided to change it because I hated being left out. I studied for 3 years and wrote everything down and ...
