The Biology 101 Lab Manual provides students with the opportunity to assume active roles in their exploration of the world of biology. Lab sessions supplement the lecture by implementing hands-on group activities and discussion. These activities aim to mirror the scientific community through a spirit of group learning, allowing students to discuss topics with their peers and

biology 101 lab practical Flashcards and Study Sets | Quizlet

The book had writing in it. If I am going to pay for a textbook "full price" I should I least have pages free from writing. If it was a rental I wouldn't mind but I brought it. Not happy, what's the point of learning when you have the answers written in? The book is still useable I just have to block out the answers.
