One project we haven't tackled yet is building our own windows. The windows in our homes are vinyl, which is definitely the standard in our area and looks great on our houses. That said, solid wood windows are beautiful, and Neil (NP) over at Bytown House recently put together two great articles that walk you through all the steps to build your own wood window frames.

How to Make Wood Windows - One Project Closer
One of the simplest tools today, the screwdriver, is widely considered to be one of the most important innovations in tool history. Although today we have more modern and powerful cordless drills to make our work even easier, the usefulness and importance of the screwdriver is still unmatched. Decades ago these types of screwdrivers were a staple in every handyman's toolkit and that ...
