Domestic slavery: what is it? - Anti-Slavery International

Black women's main jobs historically have been in low-wage agriculture and domestic service.1 Even after migration to the north during the 20th century, most employers would only hire black women in domestic service work.2 Revealingly, although whites have devalued black women as mothers to their own children, black women have been the most likely of all women to be employed in the low-wage ...

How the Portrayal of Black Women has Shifted from Slavery ...

House slaves usually lived better than field slaves. They usually had better food and were sometimes given the family's cast-off clothing. Not all slave-owners took this view. Harriet Jacobs, a house slave from Edenton, North Carolina, reports that on Sunday her mistress "would station herself in the kitchen, and wait till it was dished, and then spit in all the kettles and pans" to make sure ...
