

HPE Power Advisor

For high-density, cluster computing there are few better options than a refurbished HP ProLiant or Dell PowerEdge blade enclosure from bargain hardware. Tower servers are an excellent option for small and medium (SMEs) sized businesses, as well as homelabs, that don't yet have the space or requirements for a rack cabinet.

Examples of WAN, the Wide Area Network

More than a year-and-a-half into the COVID-19 pandemic, burnout seems to be on everyone's lips. Many of us didn't realise what had hit us when we scrambled to adjust to the sudden upheaval of the workplace, switching to remote work with little or no preparation, or deemed an essential worker and asked to continue business-as-usual in highly unusual circumstances.
