(1) Except when complying with § 63.2485, if you reduce organic HAP emissions by venting emissions through a closed-vent system to any combination of control devices (except a flare) or recovery devices, you must meet the requirements of paragraph (e)(4) of this section, and the requirements of § 63.982(c) and the requirements referenced therein.

40 CFR Part 63 Subpart FFFF - eCFR :: Home

Humanism is a philosophical stance that emphasizes the individual and social potential and agency of human beings. It considers human beings as the starting point for serious moral and philosophical inquiry. The meaning of the term "humanism" has changed according to the successive intellectual movements that have identified with it.

Humanism - Wikipedia

Working against the identification of distributive justice with simple equality, a basic postulate of many present-day egalitarians is as follows: human beings are themselves responsible for certain inequalities resulting from their free decisions; aside from minimum aid in emergencies, they deserve no recompense for such inequalities (but cf ...
