BUSHIDO - Bokken | Tozando
A bokken is a Japanese wooden sword used for training. It is usually the size and shape of a katana, but is sometimes shaped like other swords, such as the wakizashi and tantō. Some ornamental bokken are decorated with mother-of-pearl work and elaborate carvings. Sometimes it is spelled "boken" in English. Bokken should not be confused with shinai, practice swords made of flexible bamboo.

build the physical stamina, rhythms, and adroit body movements of traditional swordsmanship and to achieve something of the animating spirit of the traditional swordsman.

Bokken: Art of the Japanese Sword (Literary Links to the ... Though I understand that use of the bokken can be elevated to the status of an art, the title is misleading in that while the practice sword, "bokken" is indeed part of the overall training experience of Japanese swordsmanship, it is suggestive that bokken training is Kenjutsu or that, via the photos, the book will teach said art to the reader.
