Read Print is an online library where you can find thousands of free books to read. The books are classics or Creative Commons licensed and include everything from nonfiction and essays to fiction, plays, and poetry. Free registration at Read Print gives you the ability to track what you've read and what you would like to read, write reviews of books you have read, add books to your favorites, and to join online book clubs or discussion lists to discuss great works of literature.

The BW 211 DH-5 single-drum vibratory roller uses a dual-pump drive system, allowing the roller to climb grades as steep as 60 percent, says the company. The drive system dedicates one travel pump for drum drive and a separate pump for the rear axle, which includes a No-Spin differential lock, allowing the machine to deliver enhanced gradeability in both forward and reverse travel directions, says BOMAG.

Single drum roller BW 177 D-5 for soil compaction | BOMAG

Specifications, however, are highly diverse. A contractor working next to a listed house has to use a compaction method which is entirely different from that used in conventional road construction. BOMAG offers a wide range
