CiteScore: 4.6 | CiteScore: 2019: 4.6 CiteScore measures the average citations received per peer-reviewed document published in this title. CiteScore values are based on citation counts in a range of four years (e.g. 2016-2019) to peer-reviewed documents (articles, reviews, conference papers, data papers and book chapters) published in the same four calendar years, divided by the number of ...

### IPEL - Books & Chapters

Paper is not dead however: many of the current respiratory journals still publish in print and, to date, only a few have made the move to being online only. A number of factors will affect this decision for publishers and societies, including (to name just a few) advertising income, library preference, costs of printing and postage, reader feedback and society membership benefits.

### Early Childhood Educational Research | SAGE Publications Ltd

I was asked by Dr. Joanna Brown for guidance on how to write a book chapter. I wouldn't say I'm the ideal person for this task, but since I have published many of these for several edited collections, I think I can offer some advice.. I've got a few single-authored chapters on the go for three books at the moment (one on bottled water in the context of a human right to water, one on ...

### Early Childhood Research Quarterly - Journal - Elsevier

Also, importantly that book chapter does not have citation within the text, however, this is crucial in the review paper. In general, the audience of the book are interested but relatively new in the field, where the review paper audience are more specialised usually with previous knowledge and experience, so the writing style should take care of this.

### When does it make sense to write a book chapter instead of ...

A couple of weeks ago a colleague suggested that I might want to offer some advice on whether it was better to write a book, a journal article or a book chapter. Coincidentally, just this week @deevybee published a blog post which suggested that writing book chapters was a recipe for 'burying your work'. Through...

### How to write a book chapter - Raul Pacheco-Vega, PhD

There's plenty of evidence on why we shouldn't be publishing book chapters and we should focus on journal articles, including the fact that many, many collections are derailed. There's also the issue that edited volumes take way longer than a journal issue to publish (even though journals are getting to the ridiculous point where it takes 3 years from submission to publication).
