## **Issues in Book Publishing in Nigeria: F. A. Adesanoye, A ...**

The international Bureau of World Intellectual Property Organization (WIPO) attributed the high incidence of piracy in Nigeria to the dearth of books at all levels, as well as the prohibitive cost of books when available (Ogunrombi & Bello, 1999). One of the logical solutions therefore is a complete removal for all import duties on printing and publishing machinery and spares, as well as printing sundries such as metal plates, photographic films, bromide paper, printing inks and chemicals.
