This page provides lists of best-selling individual books and book series to date and in any language. "Best-selling" refers to the estimated number of copies sold of each book, rather than the number of books printed or currently owned. Comics and textbooks are not included in this list. The books are listed according to the highest sales estimate as reported in reliable, independent sources.

These books would be a great buy, but one came with the cover upside-down on the book. I don't want to send them all back and I can't see how to contact the seller or company. If I could just get this one book delivered (with the cover on properly) I'd give this 5 stars. The books are good quality and nicely sized for kids.
