Research Methods for Science: 9780521145848: Medicine ...
This groundbreaking book arrives at a time of growing concern for the future of true scholarship. Calling for coordinated efforts to reorganise the scholarly ecosystem, Morten Huse reflects on the past and looks to the future to uncover a communal approach to scholarship that comprises an open, innovative and impact-driven attitude to research that can change the academic game.

Research Methods - Books
"When conducting research, always formulate a strong hypothesis, create an organized methodology and develop a pragmatic solution. If you follow these strategies, your research theory can maximize benefits and minimize costs for targeted audiences in real life settings."

Loose-Leaf Version for Research Methods : Michael Passer ...

This is a great reference book for evaluation methods. Another book published by this author is "Practical Evaluation" (1982) is still helpful to my work today. "Practical evaluation" is likely out of print, but may be available in a public library. Either book is a must for evaluation and research professionals.
