Nigeria - Nigeria - History: Evidence of human occupation in Nigeria dates back thousands of years. The oldest fossil remains found by archaeologists in the southwestern area of Iwo Eleru, near Akure, have been dated to about 9000 bce. There are isolated collections of ancient tools and artifacts of different periods of the Stone Age, but the oldest recognizable evidence of an organized ...

Oyo Empire - Wikipedia

Between the 16th to 19th centuries, Oyo had numerous campaigns in the region and established its own reputation among neighboring kingdoms of Ashanti, Dahomey, Borgu, Nupe, Benin and others solidifying its place in the greater region as a powerhouse representative of a culture it powerfully defended and stood in association with.
