Book Review: Brain Wars: The Scientific Battle Over the ...

Brain Wars clearly announces the end of physicalism, reductionism, materialism and objectivism in science.', Provocative and accessible, this book is ultimately less about hard science and more about the mind-body problem and philosophy of materialistic science., "In this ground-breaking work, neuroscientist Mario Beauregard cites a range of scientific studies challenging many widely held materialistic assumptions about the relation between the mind and brain.", â Dr. Beauregard describes ...
