Contents[show] Summary In this book, Aldous Huxley takes another look at his 1931 book Brave New World and remarks how the world has come to...

Brave New World Revisited

Brave New World presents a fanciful and somewhat ribald picture of a society, in which the attempt to recreate human beings in the likeness of termites has been pushed almost to the limits of the possible. That we are being propelled in the direction of Brave New World is obvious.

Brave New World / Brave New World Revisited by Aldous Huxley

Brave New World has been called a "novel of ideas," because Huxley takes as his primary focus for the fiction the contrast and clash of different assumptions and theories rather than merely the conflict of personalities. In Brave New World Revisited, Huxley dispenses with the fictional construct altogether and lets the ideas themselves form and inform his work.
