Brush Bandit 200+ Chipper

The Model 90XP is a compact, easy-to-tow 9-inch capacity disc-style chipper. A 9" X 17" chipper opening allows the Model 90XP to process multiple stems as well as large diameter pieces up to 9 inches. This unit has been very popular among small tree services and Councils because of its manoeuvrability and low operating cost.

Will chip up to 12 inches. It's in pretty good shape, could use a paint job, doesn't look that bad though. Has all the original safety decals on it still. Has a heavy duty jack. Has a enclosed and dry battery box that is aftermarket. The knives seem to chip well. It has the ford 300 industrial motor ...

Bandit Industries, Inc

Looking into two brush bandit model 100's. Both have a cummings diesel engine in them. They are a little older, early 90's it looks like. Both seam in good condition. They say they can chip 10 inches pretty successful. I would like a 12" but the 10 would work quit well as a good starter chipper for me.
